Dear Sir:

One of my tasks is to supervise the opening of all mail directed to any person in the Dallas office patent department.

Every piece of mail opened under my supervision from the United States Patent and Trademark Office is immediately entered into the docketing system.

The Notice of Allowance in this matter has never been received by regular mail from the United States Patent and Trademark Office. The Notice of Allowability of Serial number 09/982,592 was entered in the docketing system on October 25, 2007 as a result of the Form PTOL-37 being received on that date. Exhibit A attached to the Declaration of Scott Matthews is a true copy of the Notice of Allowance PTOL form as stamped by myself.

Date: 10/31/07

  
(Barbara Dalbey)
